

Veterans Affairs Asks 2011

VA Medical Center

- We support the request for federal funding for the completion of construction of the new VA Medical Center at the Anschutz Medical Campus and Fitzsimons Life Science District in Aurora, CO.
- We thank the Colorado Congressional delegation for their continued support of this request.
- \$800 million has been authorized and \$758 million has been appropriated for the new VA Medical Center (including \$450.7 million appropriated in the FY 2011 budget).
- Please support the request for the remaining \$42 million to be appropriated in FY 2012.
